Dear Wayne,

We are not sending the 3 due that were "forfeited" by the BLM because we are in the process of trying to get them back through "Special Legislation" with the Help of Cong. Chris Cannon.

As you know, we are in dire straits financially and near bankruptcy because of this mess caused by filing a form a few days late. We would welcome the chance to speak with representatives of the state to discuss how we were treated by the BLM and just what the official state position is. We appreciate your help.

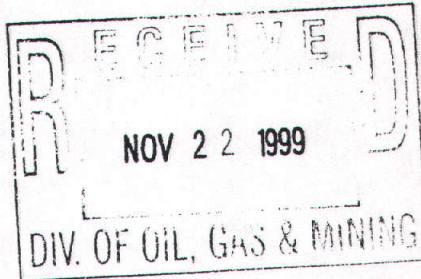

Sincerely,
Donaldord
